

Electric Railways of Chicago

Part 2

\$29.95

Join us for a second tour of the electric railways in and around Chicago. View footage captured on 16mm film by the noted photographer David J. Williams III. David captured all the action between the 50's & 80's on both color and black & white film.

The majority of this program covers the Chicago, South Shore and South Bend. In addition view action captured on the Chicago, Aurora, and Elgin, the CTA, the EL, the Illinois Central, and Metra Commuter operations.

Equipment viewed are: PCC, passenger cars, steeple cabs, freight motors, and Little Joes.

You'll view this exciting footage from trackside, on car, as well as pacing images.

One hour, color and B&W, music, and no narration.
