

# Detroit, Toledo, & Ironton/Grand Trunk Series Volume 7

Neff Video presents the final days of Grand Trunk Western operations on the former DT&I. Covering the final two years, you will see trains at Carleton, Delta, Malinta, Hamler, Leipsic, Lima, St. John, Slater, Jackson Center, Quincy, Rosewood, Mosquito Lake, Thackery, Tremont City, and Springfield. Highlights include some spectacular pacing footage of two Central Vermont GP38AC's, former Canadian National commuter cars on delivery to a museum, and the last GTW train to operate on the former DT&I prior to takeover by the Indiana & Ohio Railway.

Videography and editing by J.E. Landrum.

One hour, color, sound, on-screen graphics depict locations and no narration.
